

WAM Global and Templeton Global Growth Fund set to merge

29 June 2021

ASX announcement

WAM Global Limited (ASX: WGB) and Templeton Global Growth Fund Limited (ASX: TGG) are pleased to announce that they have entered into a Scheme Implementation Agreement (which is annexed to this announcement) to merge the two entities (**Proposed Transaction**).

It is proposed that WAM Global will acquire 100% of the shares in TGG that it does not currently own through a Scheme of Arrangement (**Scheme**). Under the Scheme, TGG shareholders will receive WAM Global shares and options, based on the relative net tangible assets (NTA) per share of WAM Global and TGG, before deferred taxes (**Scrip Consideration**). Under the Scheme Implementation Agreement, TGG has also agreed to offer to buy-back shares in TGG (**Buy-Back**), based on the NTA per share after all current and deferred taxes and associated transaction costs of TGG (**Cash Consideration**), providing TGG shareholders a cash alternative to the Scrip Consideration under the Scheme.

In summary, under the Proposed Transaction, TGG shareholders will have the option to receive either the Scrip Consideration or the Cash Consideration. There is no 'cap' on the Scrip Consideration or Cash Consideration. Additional detail in relation to the Scrip Consideration and the Cash Consideration is set out below:

Scrip Consideration

As consideration for their TGG shares under the Scheme, TGG shareholders will receive new WAM Global shares and options as follows:

WAM Global shares – the number of new WAM Global shares to be issued to each TGG shareholder will be calculated by reference to the relative NTA per share after tax, but before deferred taxes of WAM Global and TGG, determined in the same manner as per each company's monthly announcement to the ASX in accordance with the ASX Listing Rules and the Australian Accounting Standards. The TGG NTA will be adjusted for the associated transaction costs and the impact of the Buy-Back.

WAM Global options – for every new WAM Global share that TGG shareholders receive under the Scheme, TGG shareholders will also receive one WAM Global option. Each WAM Global option provides holders with the opportunity, but not the requirement, to purchase one additional WAM Global share for \$2.54 per option, without paying brokerage. The WAM Global options to be issued as part of the Scrip Consideration under the Scheme will be on the same terms as existing options issued by WAM Global, ASX: WGBO.

Cash Consideration

Under the Buy-Back, TGG shareholders will receive cash equal to the NTA per share after all current and deferred taxes and associated transactions costs.

It is currently the intention of the WAM Global Board of Directors to ensure that all TGG shareholders who receive WAM Global shares and options issued as part of the Scrip Consideration under the Scheme will be eligible to receive the WAM Global FY2021 fully franked final dividend.

The proposed merger of WAM Global and TGG follows TGG's strategic review announced on 6 October 2020, under which the TGG Board and its advisors evaluated a range of alternatives including orderly liquidation with a view to maximising value for all TGG shareholders. TGG shareholders who do not make an election to receive the Cash Consideration will receive WAM Global shares and options under the Scrip Consideration of the Scheme.

WAM Global Chairman Geoff Wilson AO said: "The WAM Global Board of Directors believe that the Scheme will be beneficial to both companies and result in a superior merged entity leveraging Wilson Asset Management's proven investment strategy. We look forward to welcoming TGG shareholders to the Wilson Asset Management family as we continue to grow WAM Global."

TGG Board's recommendation

Subject to the independent expert determining that the Proposed Transaction is in the best interests of TGG shareholders, and in the absence of a superior proposal, the TGG Board of Directors believe the Proposed Transaction is in the best interests of TGG shareholders and intend to vote their own TGG shares in favour of the Proposed Transaction. TGG will distribute a Scheme Booklet, which will include details for the Scheme, including an independent expert's report, the scheme of arrangement document, and the deed poll in favour of the TGG shareholders, as well as explanatory materials in relation to the Buy-Back.

TGG Chairman Chris Freeman added: "I am looking forward to finalising our strategic review and its outcome to merge with WAM Global."

On implementation of the Proposed Transaction, an invitation will be made to TGG Chairman Chris Freeman to join the WAM Global Board.

Key benefits of the Proposed Transaction

The Proposed Transaction will create a single listed investment company with a larger capital and shareholder base, to be managed by Wilson Asset Management.

The WAM Global Board of Directors believe the merged entity will deliver the following benefits:

- continued access to Wilson Asset Management's commitment to strong shareholder engagement;
- increased net assets of up to approximately \$945 million¹ and more than 17,600 shareholders¹, expected to deliver shareholders access to greater on-market liquidity;
- a proven investment strategy under Wilson Asset Management, providing investors with diversified exposure to a portfolio of undervalued international growth companies; and
- a history of paying fully franked dividends to shareholders.

Key benefits of the merger for TGG shareholders

The Proposed Transaction with WAM Global offers TGG shareholders substantial benefits, including:

- the option to receive the Scrip Consideration (i.e. WAM Global shares and options), or alternatively the Cash Consideration via the Buy-Back;
- the potential for TGG shareholders to exit their investment in TGG at or above the NTA after tax; and
- scrip-for-scrip rollover relief, subject to their own individual circumstances, for TGG shareholders who receive the Scrip Consideration.

¹ Based on the net asset value and number of shareholders of WAM Global and TGG as at 31 May 2021.

Scheme Implementation Agreement and indicative timeline

WAM Global and TGG have entered into the attached Scheme Implementation Agreement, which contains the terms and conditions on which WAM Global and TGG will implement the Proposed Transaction. The Scheme Implementation Agreement includes a number of customary clauses and is subject to conditions precedent including TGG shareholders approving the Scheme and the Buy-Back in accordance with the *Corporations Act 2001* (Cth), TGG obtaining a Class Ruling from the Australian Taxation Office in respect of the Buy-Back, the independent expert concluding that the Proposed Transaction is in the best interests of TGG shareholders and the Federal Court approving the Scheme.

It is currently anticipated that TGG shareholders will be given the opportunity to vote on the Scheme and Buy-Back at meetings expected to be held in September 2021. Detailed information relating to the Scheme and Buy-Back will be set out in the Scheme Booklet, which is expected to be sent to TGG shareholders by the end of August 2021.

in each case before 8.00am on the Second Court Date.

A party will not be entitled to terminate this agreement under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this agreement by that party or a deliberate act or omission of that party.

4 Outline of Scheme**4.1 Scheme**

TGG must propose a scheme of arrangement under which all of the TGG Shares held by Scheme Participants (other than each Buy-back Accepting TGG Shareholder) at the Record Date will be transferred to WAM Global and in each case, each Scheme Participant (other than each Buy-back Accepting TGG Shareholder) will be entitled to receive the corresponding Scheme Consideration.

4.2 Scheme Consideration

- (a) WAM Global, subject to clause 4.2(b), covenants in favour of TGG (in its own right and on behalf of the Scheme Participants) that in consideration of the transfer to WAM Global of each Scheme Share held by a Scheme Participant (other than each Buy-back Accepting TGG Shareholder), on the Implementation Date and immediately following TGG performing its obligations to complete the Buy-back under clause 5.2(cc), WAM Global will issue the Scheme

Consideration to each such Scheme Participant (other than each Buy-back Accepting TGG Shareholder). Any fractional entitlement of a Scheme Participant (other than each Buy-back Accepting TGG Shareholder) to a part of a New WAM Global Share or a New WAM Global Bonus Option will be rounded up or down to the nearest whole number of New WAM Global Shares or New WAM Global Bonus Options (as applicable) and, for the avoidance of doubt, fractional entitlements of 0.5 of a New WAM Global Share or a New WAM Global Bonus Option will be rounded up.

- (b) WAM Global will, unless satisfied that the laws of an Ineligible Overseas Shareholder's country of residence (as shown in the Register) permit the issue of New WAM Global Shares and New WAM Global Bonus Options pursuant to the Scheme to the Ineligible Overseas Shareholder (either unconditionally or after compliance with conditions which WAM Global and TGG reasonably regard as acceptable and not unduly onerous and not unduly impracticable), issue New WAM Global Shares and New WAM Global Bonus Options to which an Ineligible Overseas Shareholder would otherwise become entitled to a nominee appointed by TGG who will sell those New WAM Global Shares and New WAM Global Bonus Options and pay to that Ineligible Overseas Shareholder the proceeds received, after deducting any applicable brokerage, taxes and charges.

4.3 New WAM Global Shares and New WAM Global Bonus Options to rank equally

WAM Global covenants in favour of TGG (in its own right and on behalf of the Scheme Participants (other than each Buy-back Accepting TGG Shareholder)) that:

- (a) the New WAM Global Shares and New WAM Global Bonus Options will rank equally in all respects with all existing WAM Global Shares or WAM Global Bonus Options (as applicable) from their date of issue;
- (b) it will do everything reasonably necessary to ensure that trading in the New WAM Global Shares and New WAM Global Bonus Options commences by the first Business Day after the Implementation Date; and
- (c) on issue, each New WAM Global Share or New WAM Global Bonus Option will be fully paid and free from any Encumbrance.

4.4 No amendment to the Scheme without consent

TGG must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of WAM Global (not to be unreasonably withheld or delayed).

4.5 TGG Permitted Dividend

- (a) The parties acknowledge their intention for the Scheme Participants (other than each Buy-back Accepting TGG Shareholder) to be eligible for a WAM Global Permitted Dividend.
- (b) In the event that the Scheme Participants (other than each Buy-back Accepting TGG Shareholder) are not eligible for any reason to receive a WAM Global Permitted Dividend, then subject to the requirements of this clause 4.5, TGG may (in its absolute discretion) determine to pay or declare and pay to TGG Shareholders a dividend in the ordinary course in respect of the financial year ended 30 June 2021 ("**TGG Permitted Dividend**"), provided that:
- (i) the payment of the TGG Permitted Dividend must comply with the Corporations Act;

- (ii) the record date for the TGG Permitted Dividend must be before the Record Date; and
- (iii) the payment date for the TGG Permitted Dividend must be before the Implementation Date.

If the Record Date falls after 31 October 2021, then TGG may determine to pay or declare and pay the TGG Permitted Dividend in its absolute discretion.

- (c) If TGG announces, determines to pay or declares and pays the TGG Permitted Dividend in accordance with clause 4.5(b), the TGG Permitted Dividend:
 - (i) may be franked and attributed LIC capital gains to the maximum extent possible; and
 - (ii) is to be paid from accumulated profits, retained earnings or distributable reserves (or a combination of all or some of them) of TGG existing immediately prior to the declaration of that dividend.
- (d) For the avoidance of doubt, TGG is liable for any franking deficit or any liability associated with an incorrect capital gain attribution for the TGG Permitted Dividend.
- (e) The provisions of this clause 4.5 do not prevent the determination to pay or declaration or payment of a dividend by TGG if this agreement is terminated.

4.6 WAM Global Permitted Dividend

- (a) Subject to the requirements of this clause 4.6, WAM Global may (in its absolute discretion) determine to pay or declare and pay to its shareholders a dividend in the ordinary course in respect of the financial year ended 30 June 2021 ("**WAM Global Permitted Dividend**"), provided that:
 - (i) the payment of the WAM Global Permitted Dividend must comply with the Corporations Act; and
 - (ii) if Scheme Participants (other than each Buy-back Accepting TGG Shareholder) are:
 - (A) eligible for the WAM Global Permitted Dividend, the record date for the WAM Global Permitted Dividend must be after the Record Date; or
 - (B) ineligible for the WAM Global Permitted Dividend, the record date for the WAM Global Permitted Dividend must be before the Record Date.
- (b) If WAM Global announces, determine to pay or declares and pays the WAM Global Permitted Dividend in accordance with clause 4.6(a), the WAM Global Permitted Dividend:
 - (i) may be franked to the maximum extent possible; and
 - (ii) is to be paid from accumulated profits, retained earnings or distributable reserves (or a combination of all or some of them) of WAM Global existing immediately prior to the declaration of that dividend.
- (c) The provisions of this clause 4.6 do not prevent the determination to pay or declaration or payment of a dividend by WAM Global if this agreement is terminated.

- promptly consult with WAM Global in good faith as to the need for, and the form of, any supplementary disclosure to TGG Shareholders, and make any disclosure that TGG considers reasonably necessary in the circumstances, having regard to applicable laws and to ensure that there would be no breach of clause 10.1(g) if it applied as at the date that information arose;

- (o) **(Directors' voting)** use its reasonable endeavours to procure that each TGG Director votes, or causes to be voted, all TGG Shares in which he or she has a Relevant Interest (if any) in favour of the Transaction, subject to the Independent Expert continuing to conclude that the Transaction is in the best interests of TGG Shareholders and there being no Superior Proposal;

- (v) **(Calculation of TGG NTA for Scheme Consideration)** procure that the TGG NTA is calculated for the purposes of the Scheme Consideration, and delivered to WAM Global within five Business Days of the Calculation Date with sufficient supporting information (**TGG Scrip Data**) to permit WAM Global and the WAM Global Auditor to review and Confirm the calculation. - (ii) registering a transfer of the Buy-back Shares to TGG and then immediately cancelling the Buy-back TGG Shares.

Where the calculation of the Buy-back Consideration to be provided to a Buy-back Accepting TGG Shareholder would result in the relevant Buy-back Accepting TGG Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest cent;

- (dd) **(instruments of transfer)** subject to WAM Global satisfying its obligations under clause 4.2 and subject to and immediately following TGG performing its obligations to complete the Buy-back under clause 5.2(cc), on the Implementation Date:

- (b) **(further WAM Global Information)** promptly provide to TGG any further or new WAM Global Information as may arise after the Scheme Booklet has been sent to TGG Shareholders and until the date of the Scheme Meeting as may be necessary to ensure that the WAM Global Information contained in the Scheme Booklet is not, having regard to applicable disclosure requirements, false, misleading or deceptive in any material respect (including because of any material omission) and to ensure that there would be no breach of clause 10.5(g) if it applied as at the date on which such further or new WAM Global Information arose;

5.4 Scheme Booklet responsibility statement

The responsibility statement to appear in the Scheme Booklet, in a form to be agreed by the parties, will contain words to the effect of:

- (a) TGG has prepared, and is responsible for, the content of the Scheme Booklet other than, to the maximum extent permitted by law, the WAM Global Information, the Independent Expert's Report or any other report or letter issued to TGG by a third party and that WAM Global and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that TGG has prepared and has responsibility for; and
- (b) WAM Global has prepared, and is responsible for, the WAM Global Information in the Scheme Booklet (and no other part of the Scheme Booklet) and that TGG and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that WAM Global has prepared and has responsibility for.

5.5 Disagreement on content of Scheme Booklet

If WAM Global and TGG disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form of the Scheme Booklet. If complete agreement is not reached after reasonable consultation, then:

- (a) if the disagreement relates to the form or content of the WAM Global Information contained in the Scheme Booklet, TGG will make any amendments as WAM Global reasonably requires; and

5.6 Verification

Each party must undertake appropriate verification processes for the information supplied by that party in the Scheme Booklet.

5.7 Conduct of Court proceeding

TGG and WAM Global are entitled to separate representation at all Court proceedings relating to the Scheme. This agreement does not give TGG or WAM Global any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent. TGG and WAM Global must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Scheme as contemplated by this agreement.

5.8 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, WAM Global and TGG must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise; or
- (b) an independent senior counsel of the New South Wales bar advises that, in their opinion, an appeal would have no reasonable prospect of success before the End Date,

in which case, either party may terminate this agreement in accordance with clause 11.1(f)(iii).

5.9 No partnership or joint venture

Subject to this agreement, nothing in this clause requires either party to act at the direction of the other. The business of each party will continue to operate independently from the other until the Implementation Date. The parties agree that nothing in this agreement constitutes the relationship of a partnership or a joint venture between the parties.

6 TGG Director recommendation**6.1 Best endeavours**

TGG must use its best endeavours to procure that none of the TGG Directors withdraws or changes their recommendation in favour of the Transaction, unless:

- (a) TGG must notify WAM Global in writing immediately; and
- (b) the parties must consult in good faith for two Business Days after the date on which the notification in clause 6.2(a) is given to consider and determine whether the recommendation in place at the time can be maintained.  - (i) any breach of any representations and warranties of WAM Global; or
 - (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the WAM Global Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.1 limits TGG's rights to terminate this agreement under clause 11.1.

- (b) WAM Global receives and holds the benefit of this clause to the extent it relates to each WAM Global Indemnified Party on behalf of each of them.

7.2 Release for TGG Indemnified Parties

 - (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the TGG Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.2 limits WAM Global's rights to terminate this agreement under clause 11.1.

- (b) TGG receives and holds the benefit of this clause to the extent it relates to each TGG Indemnified Party on behalf of each of them.

7.3 Appointment/retirement of TGG directors

On the Implementation Date, but subject to:

- (a) the Scheme Consideration having been issued to the Scheme Participants (other than each Buy-back Accepting TGG Shareholder) (or the nominee of Ineligible Overseas Shareholders appointed pursuant to clause 4.2(b)); and
- (b) receipt by TGG of signed consents to act,

TGG must use its reasonable endeavours to:

- (c) cause the appointment of each Incoming Officer to TGG; and
- (d) procure that each of the Outgoing Officers retire from TGG and provide written notice to the effect that they have no claim outstanding for loss of office, remuneration or otherwise against TGG,

in each case, in accordance with the TGG Constitution, the Corporations Act and the Listing Rules.

7.4 Directors' and officers' indemnities and insurance

- (a) Subject to the Scheme becoming Effective and subject to clause 7.5, WAM Global undertakes in favour of TGG and each of its Directors or officers that it will:
- (i) for a period of seven years from the Implementation Date, ensure that the TGG Constitution continues to contain those rules as are contained in the TGG Constitution as at the date of this agreement that permit TGG to indemnify each of its current and previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of TGG to any person;
 - (ii) ensure that there is no variation or termination of:

- (A) any terms of the TGG Constitution or any other organisational document containing an indemnity, right of advancement of expenses, right of insurance or right of access to documents in favour of any current or previous director or officer of TGG; or
 - (B) the terms of any indemnities, rights of advancement of expenses, rights to insurance and/or rights of access to documents or information under any deeds of indemnity, access and insurance (or other agreements) entered into by TGG with or in favour of any current or previous directors or officers of TGG,

- (b) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

15.2 GST exclusive

Unless this agreement expressly states otherwise, all consideration to be provided under this agreement is exclusive of GST.

15.3 Payment of GST

- (b) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

15.4 Adjustment events

The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

15.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this agreement which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 15.3 will apply to the reduced payment.

Unless this agreement expressly states otherwise, if a party does not exercise a right, power or remedy in connection with this agreement fully or at a given time, they may still exercise it later.

17.5 Conflict of interest

Each party may exercise their rights, powers and remedies in connection with this agreement even if this involves a conflict of duty or they have a personal interest in their exercise.

- (a) is a continuing obligation despite the satisfaction of any payment or other obligation in connection with this agreement, any settlement or any other thing;
- (b) is independent of any other obligations under this agreement; and
- (c) continues after this agreement, or any obligation arising under it, ends.

It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity in connection with this agreement.

17.8 Inconsistent law

To the extent the law permits, this agreement prevails to the extent it is inconsistent with any law.

17.9 Supervening law

Any present or future law which operates to vary the obligations of a party in connection with this agreement with the result that another party's rights, powers or remedies are adversely affected (including, by way of delay or postponement) is excluded except to the extent that its exclusion is prohibited or rendered ineffective by law.

17.10 Counterparts

This agreement may consist of a number of copies, each signed by one or more parties to it. If so, the signed copies are treated as making up a single document and the date on which the last counterpart is executed is the date of the document.

17.11 Entire agreement

This agreement constitutes the entire agreement of the parties about its subject matter and supersedes all previous agreements, understandings and negotiations on that subject matter.

17.12 Further steps

Each party agrees to do anything (such as obtaining consents, signing and producing documents, producing receipts and getting documents completed and signed), which the other party asks and considers necessary to:

- (a) bind the party and any other person intended to be bound under this agreement; or
- (b) show whether the party is complying with this agreement.

17.13 Cooperation

Without limiting clauses 3.2 and 3.3, each party agrees to consult with the other party in advance in relation to all communications (whether written or oral, and whether direct or via a Representative) with any Regulatory Authority relating to the Transaction to the extent it is reasonable to do so. For the avoidance of doubt, neither party is required to disclose commercially sensitive information in relation to the communications with any Regulatory Authority to the other party and each party may withhold or redact information or documents from the other party if and to the extent that they are either confidential to a third party or commercially sensitive and confidential to that party.

17.14 No liability for loss

Unless this agreement expressly states otherwise, a party is not liable for any loss, liability or costs arising in connection with the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right, power or remedy in connection with this agreement.

17.15 Severability

If the whole or any part of a provision of this agreement is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this agreement has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause has no effect if the severance alters the basic nature of this agreement or is contrary to public policy.

17.16 Rules of construction

No rule of construction applies to the disadvantage of a party because that party was responsible for the preparation of, or seeks to rely on, this agreement or any part of it.

17.17 Assignment

A party may not assign or otherwise deal with its rights under this agreement or allow any interest in them to arise or be varied without the consent of the other party.

For the purpose of this agreement:

- (a) TGG is taken to be acting as agent and trustee on behalf of and for the benefit of all TGG Indemnified Parties; and
- (b) WAM Global is taken to be acting as agent and trustee on behalf of and for the benefit of all WAM Global Indemnified Parties,

and all of those persons are to this extent taken to be parties to this agreement.

Annexure A Public Announcement

WAM Global and Templeton Global Growth Fund set to merge

29 June 2021

ASX announcement

WAM Global Limited (ASX: WGB) and Templeton Global Growth Fund Limited (ASX: TGG) are pleased to announce that they have entered into a Scheme Implementation Agreement (which is annexed to this announcement) to merge the two entities (**Proposed Transaction**).

It is proposed that WAM Global will acquire 100% of the shares in TGG that it does not currently own through a Scheme of Arrangement (**Scheme**). Under the Scheme, TGG shareholders will receive WAM Global shares and options, based on the relative net tangible assets (NTA) per share of WAM Global and TGG, before deferred taxes (**Scrip Consideration**). Under the Scheme Implementation Agreement, TGG has also agreed to offer to buy-back shares in TGG (**Buy-Back**), based on the NTA per share after all current and deferred taxes and associated transaction costs of TGG (**Cash Consideration**), providing TGG shareholders a cash alternative to the Scrip Consideration under the Scheme.

In summary, under the Proposed Transaction, TGG shareholders will have the option to receive either the Scrip Consideration or the Cash Consideration. There is no 'cap' on the Scrip Consideration or Cash Consideration. Additional detail in relation to the Scrip Consideration and the Cash Consideration is set out below:

Scrip Consideration

As consideration for their TGG shares under the Scheme, TGG shareholders will receive new WAM Global shares and options as follows:

WAM Global shares – the number of new WAM Global shares to be issued to each TGG shareholder will be calculated by reference to the relative NTA per share after tax, but before deferred taxes of WAM Global and TGG, determined in the same manner as per each company's monthly announcement to the ASX in accordance with the ASX Listing Rules and the Australian Accounting Standards. The TGG NTA will be adjusted for the associated transaction costs and the impact of the Buy-Back.

WAM Global options – for every new WAM Global share that TGG shareholders receive under the Scheme, TGG shareholders will also receive one WAM Global option. Each WAM Global option provides holders with the opportunity, but not the requirement, to purchase one additional WAM Global share for \$2.54 per option, without paying brokerage. The WAM Global options to be issued as part of the Scrip Consideration under the Scheme will be on the same terms as existing options issued by WAM Global, ASX: WGBO.

Cash Consideration

Under the Buy-Back, TGG shareholders will receive cash equal to the NTA per share after all current and deferred taxes and associated transactions costs.

It is currently the intention of the WAM Global Board of Directors to ensure that all TGG shareholders who receive WAM Global shares and options issued as part of the Scrip Consideration under the Scheme will be eligible to receive the WAM Global FY2021 fully franked final dividend.

The proposed merger of WAM Global and TGG follows TGG's strategic review announced on 6 October 2020, under which the TGG Board and its advisors evaluated a range of alternatives including orderly liquidation with a view to maximising value for all TGG shareholders. TGG shareholders who do not make an election to receive the Cash Consideration will receive WAM Global shares and options under the Scrip Consideration of the Scheme.

WAM Global Chairman Geoff Wilson AO said: "The WAM Global Board of Directors believe that the Scheme will be beneficial to both companies and result in a superior merged entity leveraging Wilson Asset Management's proven investment strategy. We look forward to welcoming TGG shareholders to the Wilson Asset Management family as we continue to grow WAM Global."

TGG Board's recommendation

Subject to the independent expert determining that the Proposed Transaction is in the best interests of TGG shareholders, and in the absence of a superior proposal, the TGG Board of Directors believe the Proposed Transaction is in the best interests of TGG shareholders and intend to vote their own TGG shares in favour of the Proposed Transaction. TGG will distribute a Scheme Booklet, which will include details for the Scheme, including an independent expert's report, the scheme of arrangement document, and the deed poll in favour of the TGG shareholders, as well as explanatory materials in relation to the Buy-Back.

TGG Chairman Chris Freeman added: "I am looking forward to finalising our strategic review and its outcome to merge with WAM Global."

On implementation of the Proposed Transaction, an invitation will be made to TGG Chairman Chris Freeman to join the WAM Global Board.

Key benefits of the Proposed Transaction

The Proposed Transaction will create a single listed investment company with a larger capital and shareholder base, to be managed by Wilson Asset Management.

The WAM Global Board of Directors believe the merged entity will deliver the following benefits:

- continued access to Wilson Asset Management's commitment to strong shareholder engagement;
- increased net assets of up to approximately \$945 million¹ and more than 17,600 shareholders¹, expected to deliver shareholders access to greater on-market liquidity;
- a proven investment strategy under Wilson Asset Management, providing investors with diversified exposure to a portfolio of undervalued international growth companies; and
- a history of paying fully franked dividends to shareholders.

Key benefits of the merger for TGG shareholders

The Proposed Transaction with WAM Global offers TGG shareholders substantial benefits, including:

- the option to receive the Scrip Consideration (i.e. WAM Global shares and options), or alternatively the Cash Consideration via the Buy-Back;
- the potential for TGG shareholders to exit their investment in TGG at or above the NTA after tax; and
- scrip-for-scrip rollover relief, subject to their own individual circumstances, for TGG shareholders who receive the Scrip Consideration.

¹ Based on the net asset value and number of shareholders of WAM Global and TGG as at 31 May 2021.

Scheme Implementation Agreement and indicative timeline

WAM Global and TGG have entered into the attached Scheme Implementation Agreement, which contains the terms and conditions on which WAM Global and TGG will implement the Proposed Transaction. The Scheme Implementation Agreement includes a number of customary clauses and is subject to conditions precedent including TGG shareholders approving the Scheme and the Buy-Back in accordance with the *Corporations Act 2001* (Cth), TGG obtaining a Class Ruling from the Australian Taxation Office in respect of the Buy-Back, the independent expert concluding that the Proposed Transaction is in the best interests of TGG shareholders and the Federal Court approving the Scheme.

It is currently anticipated that TGG shareholders will be given the opportunity to vote on the Scheme and Buy-Back at meetings expected to be held in September 2021. Detailed information relating to the Scheme and Buy-Back will be set out in the Scheme Booklet, which is expected to be sent to TGG shareholders by the end of August 2021.

An indicative timetable for the Proposed Transaction is set out below:
