Explanatory Memorandum

This Explanatory Memorandum sets out further information regarding the proposed resolutions to be considered by shareholders of WAM Alternative Assets Limited (the Company) at the 2020 Annual General Meeting (AGM) to be hosted online commencing at 4:30pm (AEDT) on Monday, 30 November 2020 via <https://agmlive.link/WMAAGM2020>.

The Directors recommend that shareholders read this Explanatory Memorandum before determining whether or not to support the resolutions.

Resolution 1: Adoption of Remuneration Report

The Company's Remuneration Report sets out the remuneration arrangements for the Directors and key management personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company for the financial year ended 30 June 2020.

The Corporations Act requires that at a listed company's AGM, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company. The Board will take the outcome of the vote into account when considering the future remuneration arrangements of the Company.

Shareholders will be given reasonable opportunity at the AGM to ask questions about, and make comments on, the Remuneration Report.

*The Directors unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 1.*

Resolution 2: Re-election of Director – Michael Cottier

BBus MTax FAICD FCA FCPA

Michael Cottier is currently an independent non-executive director of three non-listed entities, two of which are in senior financial services roles. Michael has over 28 years' experience in financial services roles. Between 2009 and 2014 Michael served as Chief Financial Officer (CFO) of QSuper Group, where he was responsible for group-wide finance and governance functions. Prior to joining QSuper, Michael spent seven years as CFO of QIC Limited, where he was responsible for group-side finance and governance functions together with corporate advisory and human resources services.

The Directors (excluding Mr Cottier) strongly support the re-election of Mr Cottier and unanimously

*recommend that shareholders **VOTE IN FAVOUR** of Resolution 2.*

Resolution 3: Election of Director – Geoff Wilson AO

BSc GMQ FFINSIA FAICD

Geoff Wilson was appointed a Director of the Company on 9 September 2020. Geoff has over 40 years' direct experience in investment markets having held a variety of senior investment roles in Australia, the UK and the US. Geoff founded Wilson Asset Management in 1997. Geoff is currently Chairman of WAM Capital Limited, WAM Leaders Limited, WAM Global Limited, WAM Microcap Limited, WAM Research Limited, WAM Active Limited and the Australian Stockbrokers Foundation. He is the founder and a Director of Future Generation Investment Company Limited and Future Generation Global Investment Company Limited and a Director of Australian Leaders Fund Limited, Global Value Fund Limited, Century Australia Investments Pty Limited, Incubator Capital Limited, Hearts and Minds Investments Limited, Wealth Defender Equities Pty Limited and Wollongong 2022 Limited. Geoff is also a member of the WAM Alternative Assets Limited investment committee.

*The Directors (excluding Mr Wilson) strongly support the election of Mr Wilson and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 3.*

Resolution 4: Election of Director – Adrian Siew

B.Sc(Econ)

Adrian Siew was appointed a Director of the Company on 9 September 2020. Adrian has over 24 years' experience in the finance industry. Adrian is a member of the WAM Alternative Assets Limited investment committee. Adrian started his career with Goldman Sachs in London and Hong Kong as part of their M&A and corporate finance advisory team and also spent more than a decade with The Carlyle Group building up the principal buyout investment presence in Sydney and Singapore. Adrian was the founder of Nacre Holdings, a boutique corporate finance advisory firm, and responsible for Wilson Asset Management's responsible for its alternative asset strategy. Adrian was previously a Director of Greatearth Pte Limited and Nexus Point Management Limited. Adrian is a member of the Sydney Stock Exchange admission committee. Adrian graduated from London School of Economics with First Class Honours.

*The Directors (excluding Mr Siew) strongly support the election of Mr Siew and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 4.*

Resolution 5: Increase to Directors' Fee Cap

For the purposes of ASX Listing Rule 10.17 and the Company's constitution provide that the maximum amount of remuneration paid to Directors in any financial year must not be increased without the approval of the Company's shareholders in general meeting. At present, the maximum aggregate amount of fees that may be paid to the Company's Directors in any financial year is \$140,000.

Resolution 5 seeks shareholder approval to increase the Directors' remuneration fee cap by \$55,000 from \$140,000 to \$195,000 per annum.

The current Directors' remuneration fee cap of \$140,000 was set prior to the Company's IPO and admission to the ASX in 2014 and has not been increased since. Remuneration paid to the Directors is determined and reviewed periodically by the Nomination and Remuneration Committee to ensure it remains appropriate and in line with market levels. Refer to the Remuneration Report included in the 2020 Annual Report for details of the fees paid to Directors for the year ended 30 June 2020.

The proposed increase in Directors' remuneration is due to an increase in the size of the Board. The Board of WAM Alternative Assets Limited invited Mr Geoff Wilson and Mr Adrian Siew to join the Board of Directors following the change of Investment Manager to Wilson Asset Management (International) Pty Limited. The increase in the Directors' remuneration fee cap will also give the Board flexibility over time to appoint new Directors or to increase fees payable to existing Directors, if such appointments or increases are considered appropriate and in line with market changes at the relevant time, however the Company may not necessarily utilise the full amount in any financial year.

For the purposes of ASX Listing Rule 10.17, shareholders are advised that no shares or other securities in the Company have been issued by the Company to any non-executive Directors under ASX Listing Rules 10.11 or 10.14 with the approval of shareholders at any time in the last three years preceding the date of this notice.

As the Directors have an interest in the outcome of Resolution 5, they have refrained from making a recommendation in relation to this resolution.

Resolution 6: Appointment of Auditor

The Board believes that the appointment of Pitchers Partners is in the best interests of the Company and its shareholders. The change also aligns auditors of the Company with that of the new investment manager of

the Company, Wilson Asset Management (International) Pty Limited.

The Board has reviewed Pitcher Partners suitability for the role of external auditor using a competitive selection process. The outcome of this review was a recommendation that Pitcher Partners be appointed as the new auditor of the Company.

On 29 May 2020, in accordance with section 327C of the Corporations Act, the Company appointed Pitcher Partners as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, Ernst & Young, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, Pitcher Partners holds office as auditor of the Company until the Company's next annual general meeting, being the Meeting the subject of this Notice of Meeting.

In accordance with section 327N(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of Pitcher Partners as auditor of the Company.

In accordance with section 328B of the Corporations Act, notice in writing nominating Pitcher Partners as auditor has been given to the Company by a Shareholder. A copy of the notice is included in this Notice of Meeting.

The appointment of Pitcher Partners will be by vote of Shareholders as an ordinary resolution.

Pitchers Partners has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company in accordance with section 328A(1) of the Corporations Act.

The Directors strongly support the appointment of Pitchers Partners as the Company's auditor and unanimously recommend that shareholders VOTE IN FAVOUR of Resolution 6.

Resolution 7: Approval of additional 10% placement capacity

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Resolution 7 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without Shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The following additional disclosure is provided as required by Listing Rule 7.3A:

- a) *Date of issue:* the period for which the mandate to issue equity securities under Listing Rule 7.1A is valid is the period commencing on the date of the AGM and expiring on the first to occur of the following:
- i. 12 months after the date of the AGM;

- ii. The time and date of the next AGM of the Company; and
- iii. the time and date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

- b) *Minimum price:* under the Listing Rules, the minimum price at which the equity securities may be issued is 75% of the volume weighted average market price of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:
- i. the date on which the price at which the equity securities are to be issued is agreed; or
 - ii. if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- c) *Purpose of issue:* While the Company does not have any immediate plans to issue equity securities, the purposes for which equity securities may be issued pursuant to Resolution 7 may include the raising of capital for investment purposes in line with the Company's investment policy.

If Resolution 7 is approved by shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the potential dilution of existing shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the market price of the Shares and the number of Shares on issue as at 26 October 2020. The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.473 50% decrease in Issue Price	\$0.945 Issue Price	\$1.890 100% increase in Issue Price
193,829,724				
Current Variable A	10% Voting dilution	19,382,972 Shares	19,382,972 Shares	19,382,972 Shares
	Funds raised	\$9,168,146	\$18,316,909	\$36,633,817
290,744,586				
50% increase in current Variable A	10% Voting dilution	29,074,459 Shares	29,074,459 Shares	29,074,459 Shares
	Funds raised	\$13,752,219	\$27,475,364	\$54,950,728
387,659,448				
100% increase in current Variable A	10% Voting dilution	38,765,945 Shares	38,765,945 Shares	38,765,945 Shares
	Funds raised	\$18,336,292	\$36,633,818	\$73,267,636

Notes:

1. The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with shareholder approval under Listing Rule 7.1.
2. The table above uses the following assumptions:
 - i. The current Shares on issue are the Shares on issue as at 26 October 2020.
 - ii. The issue price set out above is the closing price of the Shares on the ASX on 26 October 2020.
 - iii. The Company issues the maximum possible number of equity securities under the 10% Placement Capacity and no options on issue are exercised.
 - iv. The Company has not issued any equity securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
 - v. The calculations above do not show the dilution that any one particular shareholder will be subject to. All shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
 - vi. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
 - vii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

d) *Risk of economic and voting dilution:* Shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of equity securities under Listing Rule 7.1A, including the risk that:

- i. the market price for equity securities in that class may be significantly lower on the issue date than on the date of the AGM where approval is being sought; and
- ii. the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the date of issue.

Any issue of equity securities under Listing Rule 7.1A will dilute the interests of shareholders who do not receive any equity securities under the issue.

e) *Allocation under Listing Rule 7.1A:* the allottees of the equity securities to be issued under Listing Rule 7.1A have not yet been determined. However, the allottees of equity securities could consist of current shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under Listing Rule 7.1A, having regard to the following factors:

- i. the purpose of the issue;
- ii. alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing shareholders may participate; the effect of the issue of the equity securities on the control of the Company;

- iii. the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- iv. prevailing market conditions; and
- v. advice from corporate, financial and broking advisers (if applicable).

Resolution 7 is a special resolution. Accordingly, at least 75% of votes cast by shareholders present or by proxy and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

*The Directors support the additional 10% placement capacity and unanimously recommend that shareholders **VOTE IN FAVOUR** of Resolution 7.*

The total amount of votes that you are entitled to vote for will be listed under each resolution. When you enter the number of votes it will automatically tally how many votes you have left.

Note: If you are submitting a partial vote and do not use all of your entitled votes, the un-voted portion will be submitted as No Instruction and therefore will not be counted.

Once you have finished voting on the resolutions scroll down to the bottom of the box and click on the **'Submit Vote'** or **'Submit Partial Vote'** button.

Note: You can close your voting card without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message **'Not yet submitted'** will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on **'Edit Card'**. This will reopen the voting card with any previous votes made.

Once voting has been closed all voting cards will automatically be submitted and cannot be changed.

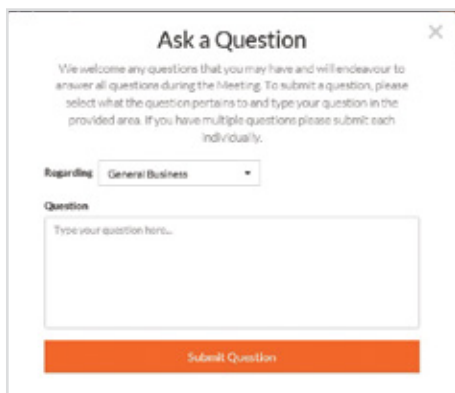

At the conclusion of the Meeting a red bar with a countdown timer will appear at the top of the Webcast and Slide windows advising the remaining voting time. Please make any changes and submit your voting cards.

2. How to ask a question

Note: Only securityholders are eligible to ask questions.

You will only be able to ask a question after you have registered to vote. To ask a question, click on the 'Ask a Question' button either at the top or bottom of the webpage.

The '**Ask a Question**' box will then pop up with two sections for completion.

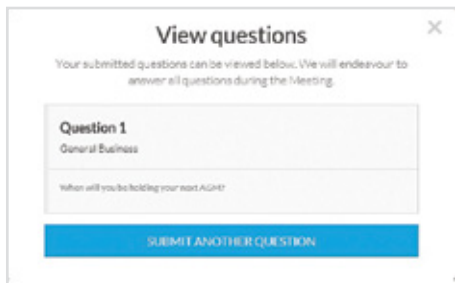

In the '**Regarding**' section click on the drop down arrow and select the category/resolution for your question.

Click in the '**Question**' section and type your question and click on 'Submit'.

A '**View Questions**' box will appear where you can view your questions at any point. Only you can see the questions you have asked.

If your question has been answered and you would like to exercise your right of reply, you can submit another question.

Note that not all questions are guaranteed to be answered during the Meeting, but we will do our best to address your concerns.
