### DIRECTORS' REPORT TO SHAREHOLDERS FOR THE HALF YEAR ENDED 31 DECEMBER 2011

The Directors present their report together with the financial report of WAM Active Limited ("the Company") for the half year ended 31 December 2011.

#### **Directors**

The following persons were Directors of the Company during the whole of the financial period and up to the date of this report:

- Geoffrey Wilson (Chairman Non-Independent)
- Matthew Kidman (Non-Executive Director Non-Independent)
- John Abernethy (Non-Executive Director Independent)
- Ronald Walker (Non-Executive Director Non-Independent)

#### **Principal Activity**

The principal activity of the Company is making investments in listed companies. The Company's investment objectives are to deliver a rising stream of fully franked dividends and to preserve capital in both the short term and long term. No change in this activity took place during the period or is likely in the future.

#### **Operating and Financial Review**

Investment operations over the half year resulted in an operating loss before tax of \$212,670 (2010: operating profit before tax of \$1,446,764) and operating loss after tax of \$44,644 (2010: operating profit after tax of \$1,172,250). This was a reflection of the costs being higher than the 0.3% increase in the gross performance. The gross portfolio outperformed the S&P/ASX All Ordinaries Accumulation Index by 9.9% for the 6 months to 31 December 2011.

Under Accounting Standards, realised gains and losses and dividend income are added to or reduced by changes in the market value of the Company's investments. This can lead to large variations in reported profits. In the 6 months to 31 December 2011, the unrealised market value of the portfolio increased by \$315,766. We believe a more appropriate measure of the results is the change in Net Tangible Asset (NTA), adjusted for dividends. The after tax NTA, adjusted for dividends, decreased 0.3% for the 6 months to 31 December 2011. The share price, adjusted for dividends rose 2.5% for the 6 months to 31 December 2011.

Net asset backing for each ordinary share as at 31 December 2011 (calculated on market value less realisation costs and all applicable taxes and before provision for dividend) amounted to \$1.08 per share (2010: \$1.16). Net Tangible Assets after tax on realised gains but before tax on unrealised gains was \$1.07 per share (2010: \$1.19). This is after the payment of 8.0 cents in fully franked dividends over the 12 month period.

A fully franked dividend of 4.0 cents per share was paid in the period to 31 December 2011 and an interim fully franked dividend of 4.5 cents per share has been declared by the Board and will be paid on 24 April 2012.

# INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF WAM ACTIVE LIMITED

#### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of WAM Active Limited (the company), which comprises the statement of financial position as at 31 December 2011, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a statement of significant accounting policies, other selected explanatory notes and the directors' declaration.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the half-year financial report that it is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: "Review of an Interim Financial Report Performed by the Independent Auditor of the Entity", in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporation Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2011 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the *Corporations Regulations 2001*. As the auditor of WAM Active Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of the half-year financial report consists of making enquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. It also includes reading the other information included with the financial report to determine whether it contains any material inconsistencies with the financial report. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

#### Independence

In conducting our review, we have complied with the applicable independence requirements of the *Corporations Act 2001*.

#### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of WAM Active Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 31 December 2011 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the *Corporations Regulations 2001*.
